

Yearly Status Report - 2019-2020

[
Part A			
Data of the Institution			
1. Name of the Institution	VIVEKANANDHA COLLEGE OF ENGINEERING FOR WOMEN		
Name of the head of the Institution	Dr.KCK.Vijayakumar		
Designation	Principal		
Does the Institution function from own campus	Yes		
Phone no/Alternate Phone no.	04288234241		
Mobile no.	9443734562		
Registered Email	vcewprincipal@gmail.com		
Alternate Email	principal@vcew.ac.in		
Address	Sathiyanaickenpalayam Village, Elayampalayam, Tiruchengode		
City/Town	Namakkal		
State/UT	Tamil Nadu		
Pincode	637205		

2. Institutional Stat	tus				
Autonomous Status (Provide date of Conformant of Autonomous Status)			17-Aug-2012		
Type of Institution			Women		
Location			Rural		
Financial Status			private		
Name of the IQAC c	o-ordinator/Directo	r	Dr.R.Vinothk	anna	
Phone no/Alternate	Phone no.		09894367140		
Mobile no.		8056977124			
Registered Email			iqac@vcew.ac.in		
Alternate Email		santhoshkuma	r@vcew.ac.in		
3. Website Address	S				
Web-link of the AQAR: (Previous Academic Year)		<u>http://vcenggw.ac.in/aca_iqac.html</u>			
4. Whether Acaden the year	nic Calendar pre	pared during	Yes		
if yes,whether it is uploaded in the institutional website: Weblink :		http://vcenggw.ac.in/aca_cal.html		a_cal.html	
5. Accrediation De	tails				
Cycle	Grade	CGPA	Year of	Vali	dity
			Accrediation	Period From	Period To
1	B++	2.82	2017	19-Jul-2017	18-Jul-2022

6. Date of Establishment of IQAC

05-Jan-2017

7. Internal Quality Assurance System

Quality initiatives by IQAC during the year for promoting quality culture				
Item /Title of the quality initiative by IQAC	Date & Duration	Number of participants/ beneficiaries		
Faculty Induction Programme by Academic	03-Jun-2019 6	15		

Advisor, Principal, Dean Academic, Vice Principal & all HoDs		
Faculty Awareness Programme on Information services from INFLIBNET by Mr.Raja Visvanathan, Scientist-B (Computer Science), INFLIBNET Centre, University Grant Commission, Gandhinagar, Gujarat	08-Jun-2019 4	87
Engineers day	17-Sep-2019 6	1560
Technical Leadership Development Programme by Dr.KCK.VIjayakumar, Principal	31-Oct-2019 3	20
Awarness Programme on Outcome Based Education by Dr.L.Malathi, HoD/CSE & Mr.D.Santhosh Kumar, IQAC Deputy Coordinator	19-Nov-2020 6	52
Awarness Programme on Outcome Based Education by Dr.L.Malathi, HoD/CSE & Mr.D.Santhosh Kumar, IQAC Deputy Coordinator	25-Jan-2020 6	55
Faculty development Programme on Outcome based Education and Curriculum Design by Ms.A.S.Renuga devi,AP/CSE, Mr.T.Manikandan,AP/ECE & Ms.S.Sreemanjari,AP/EEE	06-Mar-2020 6	107
External Academic Audit by Dr.U.S.Raghupathy, Dr.Baskar & Dr.Shanthi, Professor(s), Kongu Engineering College	25-Sep-2019 6	107

8. Provide the list of Special Status conferred by Central/ State Government-UGC/CSIR/DST/DBT/ICMR/TEQIP/World Bank/CPE of UGC etc.

Institution/Departmen t/Faculty	Scheme	Funding Agency	Year of award with duration	Amount	
Institution	Star Certificate	MHRD & AICTE	2019 0	0	
<u>View File</u>					

9. Whether composition of IQAC as per latest NAAC guidelines:	Yes
Upload latest notification of formation of IQAC	<u>View File</u>
10. Number of IQAC meetings held during the year :	3
The minutes of IQAC meeting and compliances to the decisions have been uploaded on the institutional website	Yes
Upload the minutes of meeting and action taken report	<u>View File</u>
11. Whether IQAC received funding from any of the funding agency to support its activities during the year?	No

12. Significant contributions made by IQAC during the current year(maximum five bullets)

1. Involved in NBA Tierl Accreditation Process and 4 departments (BT, CSE, IT and EEE) obtained NBA Accreditation for 3 years (01.07.2019 to 30.06.2022). 2. Organized quality improvement awareness programs for faculty members through FDP, Induction Programs, external academic audit. For students Engineers day was celebrated to collect technical ideas and converting ideas to projects and products. 3. Participated in NIRF rankings 4. Involved in various enhancing activities and ranked 172th position among Engineering Colleges in India by India Today rankings 2020, ranked 160th position among Private Engineering Colleges in India by The Week Magazine, ranked 88th position among Engineering Colleges in India by Deccan Chronicle Magazine and received AICTE certificate of Appreciation for contributed in Jal Shakti Abhiyan

13. Plan of action chalked out by the IQAC in the beginning of the academic year towards Quality Enhancement and outcome achieved by the end of the academic year

Plan of Action	Achivements/Outcomes
Improvement in Industry Institute Interactions	• Students Project Awards by industries: 05 • Number of Industrial projects undertaken: 23 •Number of Visits to the Industry by faculty: 20
Establishment of Center for Excellence	Center for Excellence has been established in the field of robotics and artificial intelligence in association with skyfilabs Bangalore,to provide hands on training, workshops and internships.
Inviting experts and Industrialists for guest lectures and interactions	Total number of Industry person who visited the college during the Academic

·		year 2019-2020: 42
	Green Campus Initiatives	Electric Vehicle is used inside the campus to avoid the pollution, usage of plastics was banned inside the campus, Rain water harvesting, Power consumption was reduced by introducing Solar panels at hostels and LED lamps at college premises
	To get funding for organizing conferences	Grant Rs.5,00,000/- received for Organizing National conference during AY 2019-20. Title of the conference: Internet of Things, Artificial Intelligence and 3D Printing dated: 06.12.2019
	NBA accreditation for all eligible UG courses	Out of 5 UG eligible programmes , 4 UG programmes (CSE, IT, BT, EEE) got accredited, 1 UG programme (ECE) is preparing SAR
	Introduction of new programmes	planned to introduce two new UG programmes B.E - BioMedical Engineering and B.E - Computer Science and Technology from the AY 202021.
	Encouragement of Faculty Members to involve in Research and Development activities	 Total Number of Funded Projects (Ongoing): 03 • Total Grant Received during the AY 2019-20: Rs.4,30,000/- • Total Number of Project Proposals Submitted to Funding Agencies during AY 2019-20:11 • Revenue generated from Consultancy during AY 2019-20: Rs.95,000/- •Publications in quality journals was increased from 113 (AY: 2018-19) to 132 (AY: 2019-20)
	Encouragement of students for participation in co-curricular and extra curricular activities	Total number of Students participated in Symposium, Seminars and Workshops during the AY 2019-20: 828
	Enhancement of Laboratory Infrastructure	Department of ECE sanctioned with Rs. 16,16,000/ under AICTE MODROBS scheme during AY 201819 and Rs.12,92,800/ was released as first payment during AY 201920 Title: Modernization of Microwave and Wireless Communication Engineering Laboratory

	4. Whether AQAR was placed before statutory ody ?	Yes
ſ	Name of Statutory Body	Meeting Date
Į	Tenth Governing Body Meeting	29-Feb-2020

assess the functioning ?	
Date of Visit	28-Jun-2019
16. Whether institutional data submitted to AISHE:	Yes
Year of Submission	2020
Date of Submission	01-Feb-2020
17. Does the Institution have Management Information System ?	Yes
If yes, give a brief descripiton and a list of modules currently operational (maximum 500 words)	Developed our Management Information System for maintaining faculty and student database through online portal. It is a web based application that can be accessed from anywhere. It covers student profile, online course registration, online exam for lab courses (prelab test and postlab test), online quiz for theory courses, student bonafide certificate, Transfer Certificate generation and student dashboard. Students feedback about Infrastructure, faculty, Teaching and Learning process are done through this online software. On the faculty side it supports course allotment, internal mark entry, CO attainment, PO attainment, maintaining students attendance and faculty profile. A separate software is developed for Controller of Examination Office for all COE automation work starting from course exam registration, Hall Ticket generation, grade calculation till printing of mark sheets. Online fee payment is possible through this software. Now Software development cell is working for stock updation and complete LMS.

.4 – Feedback System						
.4.1 – Whether structured feedback rec	ceived from all the stakeholders.					
Students Yes						
Teachers		Yes				
Employers		Yes				
Alumni		Yes				
Parents Yes						

Feedback Obtained

(maximum 500 words)

Feedbacks are obtained from currently studying students, Alumni, Teachers, Parents and Employers on a regular basis and utilized for the development of the institution. The currently studying students are encouraged to give feedbacks through a structured questionnaire designed with focus on teaching learning process and administrative process. Teacher who has lower feedback score will be advised by Dean - Academic and Principal to improve their academic performance. Feedbacks from the teachers are obtained and analyzed by the Dean - Academic and Principal. If teacher is in need of any teaching aids and infrastructural facilities, that will be provided immediately in order to improve the knowledge transfer process. Feedbacks from parents are obtained in the parent teacher meet. The attendance, results and other related information of each student is shared with the parents to make them to know the academic progress of their ward. Feedbacks are obtained from alumni and from the companies for suggestions in the curriculum towards industrial requirements and improvements in the placement recruitment process. Further, all the collected feedbacks are grouped into two categories by IQAC based on academic and administrative points. based on the categories they are discussed and implemented through appropriate statutory bodies.

CRITERION II – TEACHING- LEARNING AND EVALUATION

2.1 – Student Enrolment and Profile

2.1.1 – Demand Ratio during the year

2.3.2 – Students me	entoring system ava	ailable in th	e institut	ion? Give d	etails. (ı	maximum 500 w	vords)
A successful student mentoring system has already been implemented in our institution. A faculty is assigned as a mentor to the group of 15 students for their holistic development and the mentor maintains individual record for their mentees. They provide both professional and personal advice and further give constructive feedback on writing, teaching and other elements of career design. Mentors also help students to balance professional goals with their personal life and give emotional encouragement during challenging times. The mentors identify and help the students to mitigate social, psychological and other issues faced by students and refer them to experts if required. The mentors also make the students identify their strengths and weakness and take necessary remedial action. With steady observation of overall performance of the students, mentor provides counseling and interacts with parents whenever required. Number of students per mentor (faculty): 15 students. Frequency of meeting: Scheduled once in a week and also need based. Number of Faculty Advisor: 2 per class From the date of joining to till their graduation, the students are taken care by this Mentor- Mentee system. A complete record of Academic, Co-curricular, Extra-Curricular achievements, Social activities and the details of Parent Interaction of each student is maintained by the respective mentor. If significant changes are observed in any individual student's behavior then the mentor interacts with the student in person. Mentors should submit the register to the high level mentoring with members like Head of the Department/Institution if required. The mentor will have discussions with the Parents and Medical Counselor if required.

other. 2. Administrative officers will take incharge of student's academic requirements. Additionally: 1. There is a lab instructor in every department, who maintains the stock register by physically verifying the items. 2. Department wise annual stock verification is done by the concerned Head of the Department. 3. Regular maintenance of Computer Laboratory equipment is done by Laboratory Assistant and they are headed by the faculty incharge. 4. Regular cleaning of water tanks, proper garbage disposal, pest control, landscaping and maintenance of lawns is done by the employees of the institute. 5. College campus maintenance is monitored through regular inspection. 6. Upkeep of all facilities and cleanliness of the environment in women's hostels is maintained through the Hostel Monitoring Committee. 7. Outsourcing is done for maintenance and repairing of IT infrastructure such as computers, internet facilities including WiFi and broadband. 8. Software updating is done by lab assistants. 9. Outsourcing is done for the maintenance of wooden, furniture, electrification, and plumbing. 10. Regular maintenance of the water cooler and

water purifier is done regularly. Library -

5.3.2 – Activity of Student Council & representation of students on academic & administrative bodies/committees of the institution (maximum 500 words)

Association Members / representatives (students) actively participated in various activities. They helped in coordinating all the events related to academic, other cocurricular and Extracurricular activities as per the direction of teaching faculty. Association members involved in lot of academic, administrative work with the help of other students. They were also motivating other students to take part in the activities conducted by the Institute. They worked as a medium between faculty and students. HoD and Faculty members provide necessary support to the Association members in organizing and coordinating the events. It encouraged the students to develop their leadership skills through these activities. Student members in this council can become real heroines and competent managers in future by learning all the required skills. Our college created a platform for the active participation of the students in the various academic administrative bodies including other activities. This empowered the students in gaining leadership qualities, rules, regulations and execution skills. Every department has class committee which includes students, faculty members, Head of the Department, Academic Dean to discuss about academic and other activities. The class committee members represent the views and suggestions of the entire class with respect to the faculty, subjects, syllabus and other things related to the class. The composition of every class committee student members is one topper, one average and one slow learner (the one who has more integrity with other students) of each section are nominated as class representatives, for all the sections from First Year to Final Year. The Student committee helped to share the ideas, interests and concerns with faculty members, HoDs, Dean and Principal. They often help to raise funds for wide activities including social events, community projects, helping people in need and college reform. Contribution of the Student Council in Academic Administration 1. Coordination in day to day academic activities at their level 2. Coordination in communicating the information between students and Teaching faculty 3.Coordination in conducting special events like Symposium, Guest Lecture, Conferences, etc. 4. Coordination in organizing Cultural events 5. Coordinationin organizing Sports for the students 6. Coordination in arranging Industrial Visits for the students 7. Coordination in inviting the external guest speakers and organizing the Seminars and Workshops. We have formed 7 student committees such as: 1. Library committee 2. Sanketika Literacy Cultural Committee 3.Department Exam Committee 4. College Academic committee 5. Discipline Anti Ragging Committee 6. Sports Games Committee 7. Health Public Awareness Committee. The funding for various activities of the internal college bodies is provided by the College Management.

5.4 – Alumni Engagement

5.4.1 – Whether the institution has registered Alumni Association?

Yes

Vivekanandha College of Engineering for Women Alumni Association Serial No. 34 / 2017 has been registered under the Tamilnadu Societies Registration Act, 1975 (Tamil Nadu Act 27 of 1975) at Namakkal. The Alumni Association/ Chapters (Registered and Functional) contributes significantly to the development of the institution through financial and non financial means during the last 5 years.

5.4.2 – No. of registered Alumni:

5.4.3 - Alumni contribution during the year (in Rupees) :

152750

5.4.4 - Meetings/activities organized by Alumni Association :

CRITERION VI – GOVERNANCE, LEADERSHIP AND MANAGEMENT

6.1 – Institutional Vision and Leadership

6.1.1 – Mention two practices of decentralization and participative management during the last year (maximum 500 words)

An executive committee consisting of the chairman, Executive Director, and the Principal has been constituted to decide on certain policy matters. This committee meets once in a month to review the progress in academic, research, placement etc., • Delegation of financial powers to the Head of the Institution and the Heads of the Departments • Preparation and approval of the budgets for various activities in the beginning of the academic year.

6.1.2 – Does the institution have a Management Information System (MIS)?

Yes

6.2 – Strategy Development and Deployment

6.2.1 - Quality improvement strategies adopted by the institution for each of the following (with in 100 words each):

Strategy Type	Details
Human Resource Management	The performance appraisal of the faculty members are through self appraisal, appraisal by the Heads of the departments and Head of the Institution • The departments set achievable targets for the faculty members in one academic year for all parameters teaching, results, self development, and contribution to the department etc. Any gap identified, an appropriate feedback is given for

11	improvement • If performance appraisal
	<pre>is not satisfactory for the faculty under probation period, the probation period is extended.• Faculty performance is accountable through performance appraisal system, to maintain the continuous development in the areas of teaching, enhance their potential and to motivate the individuals in improving their area of weakness. • Based on the continuous assessment and appraisal report by the HoD Principal, the annual increment will be provided.</pre>
Library, ICT and Physical Infrastructure / Instrumentation	The institution has well stacked library for the benefit of students, faculty and researchers. The library has a large collection of books covering various branches of Engineering and Technology, Science and Humanities and allied fields. The library is fully computerized and barcode facility is used. It also provides access to resources through OPAC (online public access catalogue). The Library hour is scheduled as a part of the timetable. Digital Library utilization is encouraged for both students and faculty.
Research and Development	To promote research activities in the college, the committee i) Ensures the departments to apply for Research Centre recognition under Anna University, Chennai. ii) Ensures the Ph.D holders to apply for Guide Recognition under Anna University, Chennai. iii) Encouraged to publish research papers in refereed journals with high impact factor. iv) Motivates to submit research proposals for various funding agencies v) Motivate to submit proposals for conducting seminars, Conferences, Workshops. vi) Prompts the faculty to interact with the industry for collaborative research projects. vii) Identifies and encourages various research activities of all the departments viii) To sponsor participation and presentation in International conference
Examination and Evaluation	 Performance in each course of study shall be evaluated based on (i) Continuous Assessments (CA) throughout the semester (ii) End Semester Examinations (ESE). The CA and ESE will carry 50 marks each. Question paper setters are appointed from reputed

		<pre>institutions like IITs, NITs, IIITs etc. • Question paper scrutiny process is conducted before printing the question papers • Provision for withdrawal from end semester examinations • All the students are allowed to review their valued answer scripts with faculty incharge of the course on the specified date • Students can apply for revaluation after review of valued answer scripts • If the student is not satisfied with revaluation result, student can apply for Review • Supplementary examinations are conducted after publishing end semester examinations results</pre>
	Teaching and Learning	The teaching, learning and assessment strategies are structured in order to facilitate the achievements of the intended learning outcomes. The curriculum of every semester is completed within the stipulated time through planning of the courses of study, timely conduct of continuous evaluations, laboratory examinations, end semester examination, etc. • The course instructor provides the course outline and course schedule to the students at the beginning of the semester. • Self learning, ICT based learning, blended learning are given priority. • The institute creates a Culture of instilling and nurturing creativity among the learners through various academic activities. • Fully qualified, competent and dedicated faculty members contribute to the all round development of the students. • Introduction of online objective tests to ensure the understanding of the students about a particular subject. • The classrooms are equipped with audiovisual aids to enhance the quality of teaching-learning process. • Smart boards are installed in few classrooms which help the teachers to demonstrate better. • Faculty development programmes are conducted regularly to enhance the quality of the teachers. • Faculty members are also constantly encouraged to attend FDPs at other eminent institutions. Based on the internal test results, the following remedial measures are taken • Guiding the weak students. • Conducting special coaching classes for slow learners. • Offering counseling to the students. •

	tutorials. • Providing reference materials.
Curriculum Development	The institute has introduced the Choice Based Credit System from the academic year 2015 - 2016. A systematic process is being followed in the design and development of the curriculum. IQAC is constantly organizing workshops and sessions for the benefit of the faculty members. These workshops provided an insight to the faculty members who were involved in curriculum design. Feedbacks on the curriculum were collected by the respective departments from the various stake holders. These feedbacks were consolidated and presented to the Chair person Academic Council for suggestion for improvement by the Chair person Board of Studies. After incorporating the suggestions, the same is presented in the Board of Studies, Standing Committee and Academic Council for approval.
Industry Interaction / Collaboration	Faculty and students are given ample scope for study tour, signed MoUs with industries for better exposure through close interaction. It understands the need of industry and accordingly offers the additional programs as value added courses for students. Designing of industry based curricula and syllabi. Students and faculty are empowered with industrial knowledge. By strengthening the interaction with industry through Inplant training, industrial visits, projects, consultancy, value added courses, guest lectures etc. International seminar, conferences and symposiums are conducted with international delegates periodically. The industry institute interaction has also resulted in •Training for the faculty in industry through immersion programmes • Solving problems for the industry by the members of the faculty • Collaborative work and consultancy with the industry by the faculty team with an incentive to the faculty as motivation.
Admission of Students	 The admission process for UG programme in Engineering is followed according to the guidelines mentioned by Tamilnadu State Government. Through TNEA counselling system, the students are admitted based on the marks obtained in HSC through merit cum

6.2.2 – Implementation of e-governance in areas of operations:

E-governace area	Details
Student Admission and Support	The software module should process each phase of the life cycle of a student during campus life starting from her application, admission to the issuance of degree completion certificates, etc. This module allows the institution to perform the following: 1.Students inquiry 2.Get application details 3.Selection Process 4.Rule based Roll Number generation 5.Registration of students 6.Student ID Card, Promotion/Transfer/Debar/Exit
Finance and Accounts	This module shall manage all financial activities of the institution and is also interlinked to Library, Hostel, Inventory, HR, Examination and Office Administration. This module allows the institution to perform the following : 1.Manage master accounts, ledgers and groups 2.Fee definition management for various seat types, quotas and concessions. 3.Bank and Cheque management 4.Budget plan and management 5.Day Book Transactions for Receipts, Payments 6.Determine profit and loss from Finance today and make annual budget plan 7.View balance sheet, bank book and cash book
Planning and Development	This module shall manage and control all information related to planning and scheduling. This module allows the institution to perform the following : 1.Course/Subject/Syllabus management 2.Plan and Conduct internal tests 3.View subjects being taken by each department in a year 4.Issue hall tickets after checking 5.Record CAM and university mark details and performance evaluation. 6.Access marks obtained by all the students in all exams with Current, Arrears and Re-Valuation . 7.Calculate internal marks based on the continuous internal assessments.
Administration	This module handles and maintains all details relating to human resource development and management of staff. This module allows the institution to perform the following : 1.Staff application, interview, appointment, ID Card, appraisal, research activities

<pre>designation, category, scale, slab, allowance, deduction, leave details 3.Apply and approval of leave and loan. 4.Maintain payroll and generate payslips. 5.Staff Profile management</pre>
<pre>payslips. 5.Staff Profile management 1.Students data creation:Creating the format for first year, lateral entry, readmitted, transferred, transferred cum readmitted students' data, edit option for addition / deletion / change. 2.Curriculum Planning :Subject registration student wise.3.Continuous Assessment :Online CA mark entry. 4.Conduct of Theory and Practical Examinations : Generation of exam applications, hall tickets, attendance sheets for practical exams, online attendance entry, online mark entry, attendance sheets for theory exams, online attendance entry, consolidated absentee statement for both theory and practical examinations etc. 5.Paper evaluation : Assigning the dummy number to student register number, dummy number entry, online paper valuation mark entry dummy number wise etc.6.Result process : Conversion of marks into letter grades 7.Result Analysis : It includes the following reports and processes. • Department wise, year wise and class wise pass percentage • Subject wise Internal and External marks average • Programme wise and year wise grade distribution 8.Publication of Result : Publishing the results in college web site 9.Revaluation : • Revaluation mark entry • Revaluation mark updating and revaluation result process • Publishing the revaluation result in web site 10.Mark sheet and Consolidated mark</pre>
10.Mark sheet and Consolidated mark sheet printing : Generation of semester mark sheets and consolidated mark sheets [final semester students].

		are strongly recommended to prepare a quality lecture notes, practical application of the corresponding subject, Power point presentations, Question Banks and also to clarify doubts on and off the classes. There is strong mentor system followed to monitor, observe, guide and adhere the provisions of the Institution. Apart from these regular activities, the extra- curricular, co-curricular activities are also given due importance. On a whole the faculty members should seek to manage professional growth continuously through their study and research. Every faculty member has to update and maintain an active membership of professional organizations and strive towards excellence.
Code of Conduct - Nonteaching Staff	22/03/2019	The staff is instructed to be regular, punctual and shall stay back beyond the working hours if required to complete the official work. There is proper guideline for the staff to make alternative arrangement in absence to carry out the assigned duties without any hindrance. All the non-teaching staff should carry out their assigned work with complete involvement and morality. The staff should follow the instructions from the Faculty and higher authorities. They are always instructed to maintain professional ethics in the campus and should maintain proper behavior with theauthorities, students, parents and

other stakeholders. The
staffworking in
laboratoriesshould keep
proper record of
maintenance
andcleanliness. They
should maintain the
college related details
with strict
confidentiality and at
most care should to be
given in maintaining the
records and documents.

1.6 – Activities conducted for promotion of universal Values and Ethics								
Activity	Duration From	Duration To	Number of participants					
Engineer's Day celebration	17/09/2019	17/09/2019	1560					
Yoga Presentation Demonstration	20/06/2019	20/06/2019	336					
'Missile Man, Dr. A.P.J.Abdulkalam,Fo rmer President of India,birth anniversary celebrated	15/10/2019	15/10/2019	1500					
View File								

7.1.7 – Initiatives taken by the institution to make the campus eco-friendly (at least five)

1. Restricted entry of automobiles 2. Use of battery powered vehicles 3. Ban on plastics 4. Land scaping with trees and plants - even we can see large honey combs 5. Pedestrian friendly pathways 6.Eco friendly LED Lamp usage 7.Rain water harvesting 8. Sludge System

7.2 – Best Practices

7.2.1 - Describe at least two institutional best practices

Best Practices - I 1. Title of the Practice Beyond the Curriculum (Internships and Industrial visit) 2. Objectives of the Practice The objective of bringing in the affiliation curriculum courses is to bridge the gap existing between the content in the curriculum and industrial practices. The intended outcomes are ulletValue addition to the core courses. • To expose students to the latest trends and technologies adopted in industries. • Improving the quality of student projects and placement openings. • Online courses 3. The Context The change in technology happens at a faster rate and makes the existing technology/ methodology obsolete within a shorter span of time. The curriculum structure is revised only at specified intervals. As a measure to make students learn current technologies adopted by industries, internships, and curriculum courses are planned and conducted using the expertise of an industrial personnel. 4. The Practice The expectations of an industry with regard to student's knowledge/exposure on a particular topic/approach that are not addressed in detail in the academics are identified. Expert from the industry is invited to share his/her domain expertise with the students. A mutually agreeable syllabus that could be covered in duration of 15 hours is framed. The framed syllabus is referred to the Board of Studies where it is carefully reviewed and modified if

needed, and taken to the Academic Council for approval. With approved syllabus

as the course content and industry expert as the course handling faculty, curriculum courses are opened for the students. The course is scheduled during weekends without disturbing the regular academic work. The eligible students are allowed to register for the course. At the end of the course the students are given an assignment/mini-project based on the concepts taught. The students have to take up an examination for two hours. Both the assignment/mini-project and course end examinations are evaluated and the result is declared. One faculty member from the related department gets associated with the course and gathers knowledge through the deliberations with the expert. With the knowledge gained, the faculty member can propose projects or develop course content that could be included in the next successive regulation. 5. Evidence of Success Ms. Likitha and Ms. Navya of ECE got Pre-placement offer in ATT during the academic year (2018-19). Total number of students benefitted: 627 Total number of faculty trained: 52 This helped the students to take up internship at industries/research labs. No. of students benefitted across departments as shown in additional information. On an average 90 Batches have participated in various internships every year. 6. Problems Encountered and Resources Required Fixing convenient dates for conduct of the course and examination between the busy academic schedule of the students and packed schedule of the industry expert is a difficult task. Best Practice: II 1. Title of the Practice Training Placement VCEW has a quality circle named "Potential Employability". Training and Placement office is the Convener of this quality circle. It has members from each department. This quality circle has its own objectives. As a result of this quality circle, training and placement has become a best practice in our college. 2. Objectives of the Practice To enable the students to have a sound technical knowledge in their field of study. • To conduct value added and carrier guidance programe to the students. • To improve the programming knowledge of students. • To train and practice the students in time bound answering of aptitude test. • To help students excel in language and communications kills. • To prepare students for different levels of selection process such as presentation skills group discussions and one to one interviews. • To boost the confidence level of the students through soft skills training. • To inculcate the importance of projecting a smart appearance by personality development programs. • To groom the students to the corporate level. • To ensure that all eligible students are employed at the end of the final year of their course. 3. The Context • The trend in India is a massive inclination towards Engineering Education in the past few years. The major reason for this preference is the employment opportunities in the IT, core companies and other corporate sectors that offer fresh graduates with attractive pay packages. A technical institution grows over the years by balancing the academic and placement track record.

Upload details of two best practices successfully implemented by the institution as per NAAC format in your institution website, provide the link

http://vcenggw.ac.in/aca_iqac.html

7.3 – Institutional Distinctiveness

7.3.1 – Provide the details of the performance of the institution in one area distinctive to its vision, priority and thrust in not more than 500 words

Recital of the Institution in individual Area Distinctive to the Vision, Priority and Thrust Our Vision To be a Centre of Excellence for Development and Dissemination of Knowledge in Engineering Technology around the globe for Women. Our Mission Committed to Impart Value based Engineering Education and Research to make Globally Competent and Quality Women Professionals. The Vision of the Institute focuses on multi aspects essentially on Women Empowerment: comprehensive Standards, eminence and value-based Education, Interdisciplinary Research, and Personality and behavioral Development of the students. The Institute has established its unique approach towards this comprehensive Vision. All the faculty members are optimistic and kept updated for pertain in research grant projects. The students partake in the state and national level competition and the best ideas are rewarded. In last year of the degree programme, the students are guided to work on innovative project ideas and the same has been modeled productively. In observance with the institution's vision of imparting quality education with values in a holistic way for one and all, Women's institution has always given priority to the all-round development of women to empower them. Accordingly, the institution perseveres on outreach programmes and inculcates in its students an awareness of the value of holistic education and empathy for the less privileged sections of society. The NSS Unit of the College organizes regular outreach programmes for the student community and the foremost interest of the rural awareness and development. The

institution also focuses at imparting complete education to woman students
possessing profundity of knowledge not only in their respective disciplines but
in all the kindred areas so that they can achieve relentless strength to cope
 up with the challenges of the society and in the professional domain.
 Accordingly, the institution bestows precedence in organizing various
 educational and awareness programmes to compose its students more laborious,
 self-reliant, skilled and enthusiastic to accomplish their task confidently and
 to face the challenges of the fast changing world courageously.

Provide the weblink of the institution

8. Future Plans of Actions for Next Academic Year

Plan of action for next academic year 1) Planning to install LCD projector facility to all class rooms (already 75 percent classrooms with LCD Projector) 2) Additionally planning for two smart class rooms (currently we have 2 smart class rooms) 3) Increase two centre of excellence in the domain of Biotech, Cloud, Artificial Intelligence and Networking 4) Introduced two new UG courses for AY 2020-21 - B.E., Biomedical Engineering and B.E., Computer Science and Technology 5) Increase E - books to 100 per department 6) Attain NIRF rankings in Top 50 (within Tamilnadu state) 7) Enhance and improve Outcome Based Education (OBE) continuously 8) Attain NBA for all PG courses and NAAC with A or its higher grade 9) Introduce 2 industrial collaborated courses per department 10) Initiate Leadership course in curriculum 11) Achieve 90 percent placements in reputed MNCs and Core companies 12) Motivate minimum of 200 students to appear for GATE / TANCET examinations and 20 to get qualified 13) Produce 10 entrepreneurs per year 14) Increase faculty average experience to 6 years, faculty student ratio to 1:12, and attrition rate to 12 percent 15) Faculty publication in reputed journals per department should be increased to 70 percent 16) Number of Ph.D., faculty will be increased to 35 percent 17) Motivate 2 faculty for each semester for every department to undergo industrial training and faculty from industry to deliver expert lectures will be increased to 5/department/year 18) Motivate all PG students to publish their article in journal or conference 19) Motivate all students to register for online courses 20) Placement training for all students for minimum of 15 days/year 21) 2 value added courses per department will be introduced 22) 7 village has to be adopted under UBA scheme (already 5 villages have been adopted) 23) Zonal level winner in sports 24) Alumni association will be organized 2 per year with 2 local chapters 25) Japanese foreign language training is giving to students, in addition to this one more foreign language is planning 26) Minimum 50 students should clear UPSC and Banking exams 27) Minimum 10 new funded projects (10 to 15 lakhs) should be applied 28) Three new MoUs / department should be signed with industries and other institutions/universities 29) Three funded seminar/workshop/FDP should be organized 30) Five patents/copyrights should be applied 31) Two new research centers and 1 technology incubator has to be started 32) Three consultancy activities /

department is targeted 33) Minimum five seminar halls for the college 34) Minimum two activities has to be planned with professional tie ups
