REPORT**

International Yoga Day is celebrated on June 21st every year to promote the benefits of yoga. This day was declared by the United Nations General Assembly in 2014 and is now celebrated in more than 190 countries.

The theme for International Yoga Day 2023 was "Harmonious Mass Yoga Demonstrations". Our organization arranged yoga session for the students to celebrate the day and enhance the Physical and mental health of the students and make them active all the day.

The session was inaugurated by the yoga coordinator Dr.S.Kokila ASP/ECE. She welcomed the gathering and read out the profile of the resource person Dr. S K Aarthi, Professor cum Medical Officer, Swamy Vivekanandha Naturopathy and Yoga Medical College, Sankari.

She conveyed the importance of yoga. It has become more obvious in improving the mental and physical health. Yoga is known for its ability to improve physical strength, flexibility, and balance, as well as mental clarity and focus. She said that regular practice of yoga will help in boosting immunity and promote overall well-being.

The yoga practioners performed the various exercises based on the instruction of the resource person and the students followed them. They enjoyed doing the yoga practice. The International Yoga Day serves as a reminder of the importance of taking care of our physical and mental health, and how yoga can help us achieve that.

## **YOGA AND NUTRITIONAL BALANCE FOR HEALTHY MIND AND BODY**

**02.03.24**

### **REPORT**

Yoga And Nutritional Balance For Healthy Mind And Body was jointly organized by department of ECE, Yoga Club and Swamy Vivekanandha Naturopathy and Yoga Medical College. The program started at 10.00 am, Dr. P.T.KALAIVAANI HoD of ECE Department gave welcome speech for the session. Ms.Brundha of III ECE introduced the chief guest profile. The HOD then presented memento to the chief guest and handed over the session to her. The chief guest first gave the importance of essential macronutritional balance to the students which includes carbohydrates, proteins and fats which supports health and efficacy of the morning breakfast. At the same time she said equal importance to be given to the micronutrient such as vitamins and minerals, which helps in physiological functions like immunity enhancement, bone health and metabolism. She told that for an optimal health -fruits, vegetables, proteins, fats and whole grains are important and the nutritional diet regarding vitamins and minerals and causes of its deficiency Followed that maintaining nutritional balance prevents overconsumption of calories and maintains body's energy requirements and nutrient needs. Need to maintain proper hydration. Practicing yoga regularly, reduces the stress levels and promotes relaxation. Yoga with nutritious diet rich in antioxidants and essential nutrients enhances the ability to control stress and its effect. The accompanying student performed yoga that strengthen the immune system, promotes lymphatic circulation. Integrating yoga with a balanced diet creates a synergistic approach to holistic wellness, addressing the interconnectedness of mind, body, and spirit. By nourishing the body with wholesome foods and nurturing the mind with mindful movement and meditation, individuals can achieve optimal health and vitality. The students also performed yoga physically which relaxes their mind and felt happy. Students are highly motivated with the session.
